

IOWA NATIONAL GUARD OFFICERS ASSOCIATION

Dear Corporate member

It is with great pride that the men and women of the Iowa National Guard Officers Association (INGOA) are reaching out to you for your support in our 2021 efforts. Your support provides us with the means to impact domestic operations within the State of Iowa as well as our federal mission.

By becoming a corporate member, you pledge your support for the men and women who have committed their service to our country. This is an honorable gesture, and one that helps the INGOA fulfill its mission to "Foster and improve the status and relationship of the National Guard of the State of Iowa with ... the general public."

Your contribution is invaluable to our success. Your support will provide us with the means to continue to carry our message forward. We look forward to your support for the 2021 campaign.

As a result of covid-19 INGOA would like to make you aware of some of the changes that have occurred. The INGOA will be conducting our annual meeting Saturday 27 March, 2021 at the Des Moines Airport Holiday Inn. The event will be a single day in person event with a virtual option. Unfortunately, we will not be able to have our Friday night mixer or the retiree recognition dinner Saturday evening followed by our hospitality night. We are disappointed but know that this is not a permanent change.

What is our way ahead for the 2021 membership campaign? In discussion with many of you, our corporate sponsors, we have come to the consensus that an in-person event this year would not be mutually beneficial. As a result, we are providing a 2021 membership opportunity that maintains our contact with you, our valued corporate sponsor and continues to help INGOA meet our mission.

With your support INGOA will continue to provide our Iowa National Guard officers with professional development courses; not only at our state conference but also at the National Guard Association of the United States (NGAUS) annual meeting. Many of the Officers representing Iowa are grant recipients. For over 30 years Iowa has continued to lead the way at NGAUS as a 100% membership state.

So please join us again in 2021 as we launch our corporate sponsor campaign to secure your membership. Please review this document to continue to support INGOA's 2021 campaign. I look forward to hearing from you. Please feel free to contact me if you have any questions.

Thank you for continuing to place confidence in your National Guard. We are always there and always ready.

Respectfully,

Joe Robinson
