

IOWA NATIONAL GUARD OFFICERS ASSOCIATION

Dear Corporate Member

It is with great pride that the men and women of the Iowa National Guard Officers Association (INGOA) are reaching out to you for your support in our 2023 efforts. Your support provides us with the means to impact domestic operations within the State of Iowa as well as our federal mission.

By becoming a Corporate Member, you pledge your support for the men and women who have committed their service to our country. This is an honorable gesture, and one that helps the INGOA fulfill its vision to be “Mission Ready and Future Relevant.”

Your contribution is invaluable to our success. Your support will provide us with the means to continue to carry our message forward. We look forward to your support for the 2023 campaign and would be **honored to have you attend** our annual conference March 24-25, 2023 at the Des Moines Airport Holiday Inn.

As a result of your on-going support, INGOA provided our Iowa National Guard officers professional development courses not only at our state conference but at the National Guard Association of the United States (NGAUS) annual meeting. The INGOA legislative team represents the Iowa National Guard at both the State and National Level. We remain engaged at all levels to ensure our continued mission success.

So please join us again in 2023 as we launch our corporate sponsor campaign to secure your membership. Please review this documentation to determine at what level you would like to support INGOA’s 2023 campaign. I look forward to hearing from you to confirm your commitment level for 2023. Please feel free to contact me if you have any questions.

Thank you for continuing to place confidence in your National Guard. We are always there and always ready.

Respectfully,

Chuck Connors
